

Remarks

Based upon the conversation with the Examiner on this date, the word "simultaneously" is being removed from the claims. This was not the point of novelty intended to be expressed in the claims though it is believed to be inherent in a fair reading of the specification.

Reconsideration and allowance are thus believed to be in order and are accordingly respectfully requested.

Any cost required by this filing, including for any required time extensions, petition for which is hereby made, may be charged to the Deposit Account No. 18-1425 of the undersigned attorneys.

Very respectfully,

RINES AND RINES
